WO STABBINGS ARE ASCRIBED BY POLICE **FO GANGSTERS' FEUD**

Walsh and Leafry 'Are Cut About Face and Back in Street Near Homes.

Edward Walsh, twenty-one years old, jeweller, of No. 666 Third avenue, as sitting on the stoop of No. 415 West breeath street early to-day talking to from a dapos.

the street and one beckened to the who, thinking it was a friend,

on his way home when a gang attacked him in the street in front of the house and stabbed him in the face and back. His injuries are not serious, and after being attended by Dr. Irving he went up to his flat.

The police saw several members of the Owney Madden gang in the neighborhood a short time before the two assaults, and believe both may have been due to a feed with the Tannar Smiths.

Pulmeter flaves Weman's Life.

Mrs. Antenie Stelik of No. 518 Bast
Seventy-righth street tried to kill herself with gas te-day in the bedroom of
her home. She is sixty-one years old.
She was found unconscious and a call
was sent to the Reception Hospital. Dre.
Horgan and Candler responded, sent a
messenger for a pulmotor to the Consolidated Gas Comapny across the street,
got the instrument in three minutes and
saved Mrs. Stelik's life.

Dadways the street and one because the street and one because the street and one because alsh, who, thinking it was a friend, one of over. There was a fight in also was stabbed in the face and back. Miss otts screamed, and her sother came down with a club, but the four men had disappeared.

There is a reason for the clubber of the public has in this wondered remain on the public has in this wondered remain on the public has in this wondered remain on the public has in this wondered remain one the public has in this wondered remain on the public has in the wondered remain on the public has in the wondered remain on the public has in the wondered remain one to well provided the public has in the wondered remain on the public has in an widely known and universally used and has been the Parmity Depotes and Universally used and has been the Parmity Depotes and Universally used and has been the Parmity Depotes and Universally used and has been the Parmity Depotes and Universally used and has been the Parmity Depotes and Universally or distinguished.

rending a small boy who was being suched by a bir ruman, but they think a smut have dreamed it.

Summer have dreamed it.

Summer COMPLAINT, and bedden, disselver, cold, flatered, better known as "Dopey," was halfway a flat by a bir rent, better known as "Dopey," was halfway a flat by a bir rent.

"Incensia" Talcum

When the spirit of the little Queen Arjumand Banu left its casket of clay—the grief of the great Emperor Shah Jahan was uncontrollable. The Jasmine Tower had been built for her to live in—the marvelous Taj Mahal was erected at her death. On the package of Riker's Incensia is pictured this wonderful

of Riker's Incensia is pictured this wonderful tower erected by the Emperor of the Far East. In the perfume Incensia there seems captured some of the wonder and the beauty, the sweetness and purity of Arjumand Banu herself. Incensia Talcum is pure, fine, exquisitely soft tale, perfumed with this indescribable fragrance from 25c the Orient. In sifter top tia...
